Dear Parent/Carer,

**Update on Medway's co-educational proposal for Chatham Grammar, Fort Pitt and Holcombe Grammar**

Following on from my letter last term I wanted to give you an update on the proposal. Medway Council's Cabinet meet during the spring break and agreed with the proposal, therefore, today we now move to the consultation process.

Medway have created a consultation document, please find the link below.

I have also attached a document containing some of the possible questions that we think you may have.

Yours sincerely,

Wendy Walters
